GOVERNMENT OF JAMMU AND KASHMIR
CIVIL SECRETARIAT

GOVERNMENT OF JAMMU AND KASHMIR
CIVIL SECRETARIAT

Notification

Srinagar, the 21st of October, 2019.

SRO-611. Whereas, on 06-02-2018, Police Station, Soura, received an information through reliable sources that the self styled leader of banned organization Dukhtaran-i-Millat, Mst. Asiya Andrabi W/o Ashiq Hussain Faktoo R/o Iqbal Colony, Soura had gathered unlawful association of some women at her residence and resorted to unlawful activities by delivering provocative speech which support the separatist elements who intend to bring about secession of State of J&K from India and disrupt the territorial integrity of India ; and

2. Whereas, a case FIR No. 17/2018 under section 151 RPC 13 ULA (P) Act, 1967 was registered in P/S Soura and investigation set into motion ; and

2 The J&K Govt. Gazette, 21st Oct., 2019/29th Asv., 1941. [No. 29-n
ô ô

3. Whereas, during the course of investigation, it was revealed that other prominent activists of banned organization Dukhtaran-i-Millat namely Fahmeeda Sofi D/o Mohammad Sadiq Sofi R/o Sikhbagh Lalbazar and Nahida Nasreen W/o Manzoor Ahmad R/o Drangbal Pampore were also involved in the commission of crime as they also resorted to unlawful activities by delivering provocative speeches and incited/advocated the women present there to support and undertake the separatist activities with the sole aim of seceding the state of J&K from India and disrupt the territorial integrity of India ; and

4. Whereas, investigation conducted in the case revealed that a prima-facie case is established against the accused women namely ; Asiya Andrabi W/o Ashiq Hussain Faktoo R/o Iqbal Colony Soura, Fahmeeda Sofi D/o Mohammad Sadiq Sofi R/o Sikh-Bagh, Lalbazar and Nahida Nasreen W/o Manzoor Ahmad R/o Drangbal, Pampore under section 13 of the Unlawful Activities (Prevention) Act, 1967 ; and

5. Whereas the authority appointed by the State Government under sub-section (2) of section 45 of the Unlawful Activities (Prevention) Act 1967, has independently scrutinized the Case Diary file and all the other relevant documents relating to the case and has come to a definite conclusion that this is a fit case for accord of prosecution sanction against the said accused persons ; and

6. Whereas, after perusing the Case Diary, the relevant documents and also taking into consideration the observations/views of the Authority appointed under sub-section (2) of section 45 of the Unlawful Activities prevention) Act, 1967, the State Government is of the view that there is sufficient material and evidence available against the accused persons for their prosecution under the aforesaid provisions of law.

Now, therefore, in exercise of powers conferred by sub-section (2) of section 45 of the Unlawful Activities (Prevention) Act, 1967, the State Government hereby accords sanction for launching prosecution against the accused women namely, Mst.Asiya Andrabi W/o Ashiq Hussain Faktoo R/o Iqbal Colony, Soura, Mst. Fahmeeda Sofi D/o Mohammad Sadiq Sofi R/o Sikh-bagh, Lalbazar and Nahida Nasreen W/o Manzoor Ahmad R/o Drangbal, Pampore for the commission of

REGD. NO. JK633

THE
JAMMU & KASHMIR GOVERNMENT GAZETTE

Vol. 132] Jammu, Tue., the 31st Dec., 2019/10th Pausa, 1941. [No. 39-1

Separate paging is given to this part in order that it may be filed as a
separate compilation.

PART II—B

Notifications, Notices and Orders by the Heads of Departments.

ô ô ô ô

OFFICE OF THE DEPUTY COMMISSIONER,
NANDINI HILLS, SAMBA, GOVERNMENT OF J&K

Subject :ô Notification of rates of immovable property for the year
2020 in respect of District Samba.

ô ô ô ô

Notification

Whereas, the District Valuation Committee (DVC), Samba after examining the existing rates of immovable property in respect of rural and urban areas proposed the rates of immovable property for the year 2020 to the Divisional Valuation Board ;

Whereas, the Divisional Valuation Board has approved the rates of immovable property for the year 2020 for District Samba in the meeting held on 17-12-2019.

Now, therefore, in exercise of the powers vested in terms of Sub-Rule (1) of Rule 4 of the SRO6303 dated 04-10-2011 read with SRO6379 dated 22-12-2012, the District Valuation Board, Samba do hereby notify the rates of immovable property in respect of rural and urban areas for the year 2020 as mentioned in the Form I & III forming part of this notification which will come into force w. e. f. 1st January, 2020.

It is further notified that the rates on ÷unirrigated landø would be applicable to the ÷uncultivable landø in rural areas and in urban areas, where the nature of a piece of land is not already classified as ÷residentialø or ÷Commercialø, the rates of ÷residentialø or ÷Commercialø would be applicable to it depending upon the land use as defined in the Master Plan of the area.

(Sd.)

Chairperson,
District Valuation Board, Samba,
Deputy Commissioner, Samba.

OFFICE OF THE EXECUTIVE OFFICER,
MUNICIPAL COMMITTEE, SEER HAMDAN.

Subject : Seer Hamdan Municipal Committee Solid Waste Management
Bye-Laws, 2019.

óóóóóó

Notification

In terms of Rule 3 (9) r/w Rule 15 (e), (zf) and (zg) of Solid Waste Management Rules, 2016, the Seer Hamdan Municipal Committee Solid Waste Management Bye-Laws, 2019 are hereby notified for adoption and implementation within the limits of Municipal Committee, Seer Hamdan. The copy of Bye-Laws is available at the Office of Municipal Committee, Seer Hamdan.

(Sd.)

Executive Officer,
Municipal Committee, Seer Hamdan.

SEER HAMDAN MUNICIPAL COMMITTEE,
SOLID WASTE MANAGEMENT BYE-LAWS, 2019.

- (1) **“Agency”** means Municipal Committee, Seer Hamdan ;
- (2) **“Aerobic composting”** means a controlled process involving microbial decomposition of organic matter in the presence of oxygen ;
- (3) **“Anaerobic digestion”** means a controlled process involving microbial decomposition of organic matter in the absence of oxygen ;
- (4) **“Authorization”** means the permission given by the State Pollution Control Board, to the operator of a facility or Urban Local authority, or any other agency responsible for processing and disposal of Solid Waste ;

No. 26-16] The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. 3
oo

- (5) **“Biodegradable waste”** means any organic material that can be degraded by micro-organism into simpler stable compounds ;
- (6) **“Bio-methanation”** means a process which entails enzymatic decomposition of the organic matter by microbial action to produce methane rich biogas ;
- (7) **“Brand owner”** means a person or company who sells any commodity under a registered brand label ;
- (8) **“Bulk Garden and Parks & Horticultural Waste”** means bulk waste from parks, gardens etc. including grass clippings, weeds, woody -brown carbon-rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (9) **“Bulk Waste Generator”** means bulk waste generator defined under Rule 3(1)(8) of the Solid Waste Management Rules, 2016 (hereinafter referred to as -SWM Rules) and any other waste generator including buildings occupied by the Central Government departments or undertakings, State Government departments or undertaking, Local bodies, public sector undertakings or private companies, hospitals, nursing homes, schools, colleges, universities, other educational institutions, hostels, hotels, commercial establishments, markets, places of worship, stadia and sport complexes having an average waste generation rate exceeding 100 Kg. per day ;
- (10) **“C&D waste (Construction and Demolition waste)”** means Construction and Demolition Waste (Debris) that are non-hazardous in nature generated out of building materials, debris and rubble in the jurisdiction of Municipal Committee, Seer Hamdan.
- (11) **“Clean Area”** means the public place in front of and all around or adjacent to any premises extending to the kerb

side and including the drain, foot path and kerb cleaned and so maintained in accordance with these bye-laws ;

- (12) **“Cleanliness Fee”** means an amount of fees collected by the managers/Organizers for cleaning the site by the Agency ;
- (13) **“Collection”** means lifting and removal of solid waste from source of waste generation, collection points or any other location ;
- (14) **“Collection Counter”** means where the user charges shall be remitted which will be available at all Zonal Officers and headquarters.
- (15) **“Combustible waste”** means non-biodegradable, non-recyclable, non-reusable, non-hazardous solid waste having minimum calorific value exceeding 1500 kcal/kg and excluding chlorinated materials like plastic, wood pulp, etc.;
- (16) **“Community waste storage bin”** means any storage facility setup and maintained by the Municipal Committee, Seer Hamdan in the State collectively by owners and or/occupiers of one or more premises for storage of Municipal Solid Waste in a segregated manner in the road side/premises of anyone of such owners/occupiers or in their common premises ;
- (17) **“Composting”** means a controlled process involving microbial decomposition of organic matter ;
- (18) **“Co-processing”** means use of non-biodegradable and non-recyclable solid waste having calorific value exceeding 1500k/cal as raw material or as a source of energy or both to replace or supplement the natural mineral resources and fossil fuels in industrial processes ;
- (19) **“Containerised Hand Cart”** means the hand cart provided by the Municipal Committee, Seer Hamdan, or the agency/agent appointed by it for point-to-point collection of solid waste ;

- (20) **“Decentralized processing”** means establishment of dispersed facilities for maximizing the processing of biodegradable waste and recovery of recyclables closest to the source of generation so as to minimize transportation of waste for processing or disposal ;
- (21) **“Delivery”** means handing over any category of solid waste to worker of Municipal Committee, Seer Hamdan or any other person appointed, authorised or licensed by Municipal Committee, Seer Hamdan for taking delivery of such waste or depositing it in any vehicle provided by Municipal Committee, Seer Hamdan, or by any other authorised agency or licensed by Municipal Committee, Seer Hamdan, to do so ;
- (22) **“Disposal”** means the final and safe disposal of post processed residual solid waste and inert street sweepings and silt from surface drains on land to prevent contamination of ground water, surface water, ambient air and attraction of animals or birds ;
- (23) **“Domestic hazardous waste”** means discarded paint drums, pesticide cans, CFL bulbs, tube lights, expired medicines, broken mercury thermometers, used batteries, used needles and syringes and contaminated gauge, etc., generated at the household level ;
- (24) **“Door to door collection”** means collection of solid waste from the door step of households, shops, commercial establishments, offices, institutional or any other non-residential premises and includes collection of such waste from entry gate or a designated location on the ground floor in a housing society, multistoried building or apartments, large residential, commercial or institutional complex or premises ;
- (25) **“Dry waste”** means waste other than bio-degradable waste and inert street sweepings and includes recyclable and non recyclable waste, combustible waste and sanitary napkin and diapers, etc. ;

- (35) **“Hazardous waste”** means any waste which by reason of any of its physical, chemical, reactive, toxic, causing danger or is likely to cause danger to health or environment, whether alone or when in contact with other wastes or substances and all other hazardous wastes as defined in the Hazardous Wastes (Management and Handling) Rules, 1989 as amended to date and the Hazardous and other waste (Management and Transboundary Movement) Rules, 2016 ;
- (36) **“Horticulture, Parks and Garden Waste”** means waste from parks, gardens traffic island etc. These include grass clipping, annual weeds woody 'brown' carbon-rich material such as branches, twigs, wood chipping, straw, dead leaves, tree trimmings, etc. which cannot be accommodated in the daily collection system for bio-degradable waste ;
- (37) **“House-gully”** means a passage or strip of land, constructed, set apart or utilized for the purpose of serving as or carrying a drain or affording access to the latrine, urinal, cesspool or other receptacle for filling of other polluted matter by persons employed in the clearing thereof or in the removal of such matter therefrom ;
- (38) **“Incineration”** means an engineered process involving burning or combustion of solid waste to thermally degraded waste materials at high temperatures ;
- (39) **“Inerts”** means wastes which are not bio-degradable, recyclable or combustible street sweeping or dust and silt removed from the surface drains ;
- (40) **“Informal waste collector”** includes individuals, associations or waste traders who are involved in sorting, sale and purchase of recyclable materials ;
- (41) **“Leachate”** means the liquid that seeps through solid waste or other medium and has extracts of dissolved or suspended material from it ;

8 The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. [No. 26-16
oo

- (42) **“Litter”** means all refuse and includes any other waste material which, if thrown or deposited as prohibited under these Bye-Laws, tends to create uncleanness or a danger or nuisance to public health, safety or welfare ;
- (43) **“Littering”** means putting litter in such a location that it falls, descends, blows, is washed, percolates or otherwise escapes or is likely to fall, descend blow, be washed, percolate or otherwise escape into or onto any public place, or causing, permitting or allowing litter to fall, descend, blow, washed, percolate or otherwise escape into or onto any public place ;
- (44) **“Local body”** for the purpose of these bye-laws means JMC/SMC and other Local Bodies including Municipal Councils, Municipal Committees, Town Area Committees, in the State ;
- (45) **“Materials Recovery facility”** (MRF) means a facility where non-compostable solid waste can be temporarily stored by the local body or any other entity or any person or agency authorised by any of them to facilitate segregation, sorting and recovery of recyclables from various components of waste by authorised informal sector of waste pickers, informal recyclers or any other work force engaged by the local body or entity for the purpose before the waste is delivered or taken up for its processing or disposal ;
- (46) **“Neighbourhood”** means a clearly defined locality, with reference to its physical layout, character or inhabitants ;
- (47) **“New construction”** means all buildings under construction within the limits of the Municipal Committee, Seer Hamdan ;
- (48) **“Non-biodegradable waste”** means any waste that cannot be degraded by microorganisms into simpler stable compounds ;

- (49) **“Nuisance”** includes any act, omission, place or thing which comes or is likely to cause injury, danger, annoyance or offence to the sense of sight, smelling or hearing or which is or may be dangerous to life or injurious to health or property ;
- (50) **“Nuisance Detectors”** (NOs) means those employees of the Municipal Committee, Seer Hamdan who are appointed to detect the acts of Public nuisance, etc. ;
- (51) **“Occupier/occupant”** includes any person who for the time being is in occupation of, or otherwise using, any land or building or part thereof, for any purpose whatsoever ;
- (52) **“Operator of a facility”** means a person or entity, who owns or operates a facility for handling solid waste which includes the Municipal Committee, Seer Hamdan and any other entity or agency appointed by the Municipal Committee, Seer Hamdan ;
- (53) **“Owner”** means any person who exercises the rights of an owner of any building, or land or part thereof ;
- (54) **“Pelletisation”** means a process whereby pellets are prepared which are small cubes or cylindrical pieces made out of solid waste and includes, fuel pellets which are also referred as refuse derived fuel ;
- (55) **“Primary collection”** means collecting, lifting and removal of segregated solid waste from source of its generation including households, shops, offices and any other non-residential premises or from any collection points or any other location specified by the Municipal Committee, Seer Hamdan.
- (56) **“Processing”** means any scientific process by which segregated solid waste is handled for the purpose of reuse, recycling or transformation into new products ;

pulp or organic waste, other than chlorinated materials, in the form of pellets or fluff produced by drying, shredding, dehydrating and compacting of solid waste ;

- (65) **“Residual solid waste”** means and includes the waste and rejects from the solid waste processing facilities which are not suitable for recycling or further processing ;
- (66) **“Rule”** means Solid Waste Management Rules, 2016 ;
- (67) **“Sanitation”** means the promotion of hygiene and the prevention of disease and other consequences of ill health relating to environmental factors ;
- (68) **“Sanitary Landfill Facility”** means a waste disposal site for the deposit of residual solid waste in a facility designed with protective measures against pollution of ground water, surface water and air fugitive dust, wind-blown litter, bad odour, fire hazard, bird menace, pests or rodents, greenhouse gas emissions, slope instability and erosion ;
- (69) **“Sanitary land filling”** means the final and safe disposal of residual solid waste and inert wastes on land in a facility designed with protective measures against pollution of ground water, surface water and fugitive air dust, wind-blown litter, bad odour, fire hazard, animal menace, bird menace, pests or rodents, greenhouse gas emissions, persistent organic pollutants slope instability and erosion ;
- (70) **“Sanitary waste”** means wastes comprising of used diapers, sanitary towels or napkins, tampons, condoms, incontinence sheets and any other similar waste ;
- (71) **“Sanitary worker”** means a person employed by the Municipal Corporation, Municipal Council, Municipal Committee for collecting or removing MSW or cleansing the drains in the municipal/corporation areas ;
- (72) **“Schedule”** means the Schedule appended to these rules ;

12 The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. [No. 26-16
oo

- (73) **“Storage”** means the temporary containment of solid waste in a manner so as to prevent littering, attraction to vectors, stray animals and excessive foul odour ;
- (74) **“Secondary storage”** means the temporary containment of solid waste after collection at secondary waste storage depots or MRFs or bins for onward transportation of the waste to the processing or disposal facility ;
- (75) **“Segregation”** means sorting and separate storage of various components of solid waste namely biodegradable wastes including agriculture and dairy waste, non-biodegradable wastes including recyclable waste, non-recyclable combustible waste, sanitary waste and non recyclable inert waste, domestic hazardous wastes, and construction and demolition wastes ;
- (76) **“Service provider”** means an authority providing public utility services like water, sewerage, electricity, telephone, roads, drainage, etc. ;
- (77) **“Solid waste”** means and includes solid or semi-solid domestic waste, sanitary waste, commercial waste, institutional waste, catering and market waste and other non-residential wastes, street sweepings, silt removed or collected from the surface drains, horticulture waste, agriculture and dairy waste, treated bio-medical waste, Hazardous waste excluding industrial waste, bio-medical waste and e-waste, battery waste, radio-active waste generated in the area under the local authorities and other entities ;
- (78) **“Sorting”** means separating various components and categories of recyclables such as paper, plastic, cardboards, metal, glass, etc., from mixed waste as may be appropriate to facilitate recycling ;
- (79) **“Source”** means the premises in which the waste is generated or a community storage centre used by owners/ occupiers of one or more premises for segregated storage

No. 26-16] The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. 13
of MSW ;

- (80) **“Spittoon”** means a metal or earthenware pot typically having a funnel-shaped top, used for spitting into.
- (81) **“Stabilising”** means the biological decomposition of biodegradable wastes to a stable state where it generates no leachate or offensive odours and is fit for application to farm land, soil erosion control and soil remediation ;
- (82) **“Stabilised biodegradable waste”** means the biologically stabilized (free of pathogens) waste resulting from the mechanical/biological treatment of bio degradable waste ; only when stabilised can such waste be used with no further restrictions ;
- (83) **“Street vendor”** means any person engaged in vending of articles, goods, wares, food items or merchandise of everyday use or offering services to the general public, in a street, lane, side walk, footpath, pavement, public park or any other public place or private area, from a temporary built up structure or by moving from place to place and includes hawker, peddler, squatter and all other synonymous terms which may be local or region specific; and the words ÷street vendingø with their grammatical variations and cognate expressions, shall be construed accordingly ;
- (84) **“Tipping fee”** means a fee or support price determined by the local authorities or any state agency authorised by the State government to be paid to the concessionaire or operator of waste processing facility or for disposal of residual solid waste at the landfill ;
- (85) **“Transportation”** means conveyance of solid waste, either treated, partly treated or untreated from a location to another location in an environmentally sound manner through specially designed and covered transport system so as to prevent the foul odour, littering and unsightly conditions ;
- (86) **“Transfer station”** means a facility created to receive solid waste from collection areas and transport in bulk in

14 The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. [No. 26-16
oo

covered vehicles or containers to waste processing and, or,
disposal facilities ;

- (87) **“Treatment”** means the method, technique or process designed to modify physical, chemical or biological characteristics or composition of any waste so as to reduce its volume and potential to cause harm ;
- (88) **“User fee/Charges”** means fees or charges imposed by Municipal Committee, Seer Hamdan through general or special order of the Competent Authority from time-to-time, on the waste generator to cover full or part cost of providing solid waste collection, transportation, processing and disposal services ;
- (89) **“Vacant Plot”** means any Land or open space belonging to a private party/person that is not occupied by them/him ;
- (90) **“Vermi composting”** means the process of conversion of bio-degradable waste into compost using earth worms ;
- (91) **“Waste hierarchy”** means the priority order in which the solid waste is to be managed by giving emphasis to prevention, reduction reuse, recycling, recovery and disposal, with prevention being the most preferred option and the disposal at the landfill being the least ;
- (92) **“Waste generator”** means and includes every person or group of persons, every residential premises and non-residential establishments including Indian Railways, defence establishments, which generate solid waste or other institutions i. e. Hotels, restaurants, malls, private/government business/ industrial establishments falling within the limits of Municipal Committee, Seer Hamdan.
- (93) **“Waste picker”** means a person or groups of persons informally engaged in collection and recovery of reusable and recyclable solid waste from the source of waste generation, streets, bins, material recovery facilities,

processing and waste disposal facilities for sale to recyclers
directly or through intermediaries to earn their livelihood.

CHAPTER II

Segregation and Primary Storage of Solid Waste

4. *Segregation and storage of solid waste at source.*

(1) It shall be necessary for all waste generators to separate and store the solid waste coming out of their own places regularly into three streams namely :

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste; and deposit it into covered waste bins, and handover segregated waste to designated waste collectors as per the direction of Municipal Committee, Seer Hamdan from time to time.

(2) Every bulk waste generator is to separate and store the solid waste coming out of their own places into three streams namely :

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) hazardous waste in suitable bins ; and handover segregated waste to authorised waste processing or disposal facilities or deposition centres through the authorised waste collection agency with paying the carrying charges specified by Municipal Committee, Seer Hamdan from time to time.

(3) The colour of bins for storage of segregated waste shall be green- for biodegradable waste or wet waste blue - for non- biodegradable or dry waste and black- for domestic hazardous waste.

(4) All resident welfare and market associations shall ensure segregation of waste at source by the generators, facilitate collection of segregated waste in separate streams, handover recyclable material to either the authorised waste pickers or the authorised recyclers. The bio-

16 The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. [No. 26-16
degradable waste shall be processed, treated and disposed of through
composting or bio-methanation within the premises as far as possible. The
residual waste shall be given to the waste collectors or agency as directed
by Municipal Committee, Seer Hamdan.

(5) All gated communities and institutions with more than 5,000 sq.
m. area shall ensure segregation of waste at source by the generators,
facilitate collection of segregated waste in separate streams, handover
recyclable material to either the authorised waste pickers or the authorised
recyclers. The bio-degradable waste shall be processed, treated and
disposed off through composting or bio- methanation within the premises
as far as possible. The residual waste shall be given to the waste collectors
or agency as directed by Municipal Committee, Seer Hamdan.

(6) All hotels and restaurants shall ensure segregation of waste at
source, facilitate collection of segregated waste in separate streams,
handover recyclable material to either the authorised waste pickers or the
authorised recyclers. The bio-degradable waste shall be processed, treated
and disposed of through composting or bio-methanation within the premises
as far as possible. The residual waste shall be given to the waste collectors
or agency as directed by Municipal Committee, Seer Hamdan.

(7) No person shall organize an event or gathering of more than
one hundred persons at any unlicensed place without intimating Municipal
Committee, Seer Hamdan along with payment of user fee as prescribed
in the schedule, at least three working days in advance and the person
or the organizer of such event shall ensure segregation of waste at source
and handing over of segregated waste to waste collector or agency as
specified by Municipal Committee, Seer Hamdan.

(8) Used sanitary waste are to be securely wrapped as and when
generated in the pouches provided by the manufacturers or brand owners
of these products or in a news paper or suitable biodegradable wrapping
material and place the same in the bin meant for non-biodegradable waste
or dry waste.

(9) Every street vendor shall keep suitable containers for storage of
segregate waste generated during the course of his activity such as food
waste, disposable plates, cups, cans, wrappers, coconut shells, leftover

No. 26-16] The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. 17
food, vegetables, fruits, etc., and shall deposit such waste at waste storage depot or container or vehicle as notified by Municipal Committee, Seer Hamdan.

(10) Waste generator of garden and horticulture waste generated from his premises shall store such waste separately in his own premises and dispose of the same as per the directions of Municipal Committee, Seer Hamdan from time to time.

(11) Domestic Hazardous Waste shall be stored and delivered by every waste generator to the collection vehicle which shall be provided weekly/periodically by Municipal Committee, Seer Hamdan or any other Agency authorised by it for collection of such waste, or to a centre designed for collection of such waste for disposal in a manner that is mandated by the Government of Jammu and Kashmir or State Pollution Control Board.

(12) Construction and Demolition Waste shall be stored and delivered separately as per the Construction and Demolition Waste Management Rules, 2016.

(13) No untreated bio-medical waste, e-waste, hazardous chemicals and industrial waste shall be mixed with solid waste. Such waste shall be disposed off in accordance with the respective rules framed under the Environment (Protection) Act, 1986.

(14) Every owner/occupier of any premises other than designated slaughter houses and markets, who generates poultry, fish and slaughter waste as a result of any commercial activity, shall store the same separately in closed, hygienic condition and deliver it at a specified time, on a daily basis to the Municipal Committee, Seer Hamdan, collection vehicle provided for this purpose. Depositing of such waste in any community waste bin is strictly prohibited.

(15) Segregated bio-degradable solid waste if not composted by the generators, shall be stored by them within their premises and its delivery shall be ensured to the municipal worker/vehicle/waste picker/waste collector or to the bio-degradable waste collection vehicle provided for specified commercial generators of bulk bio-degradable waste at such times as may be notified from time to time.

5. *Collection of Solid Waste.* (1) In compliance with SWM Rules, 2016, door to door collection of segregated solid waste shall be implemented in all areas or Wards of Municipal Committee, Seer Hamdan, to collect garbage from every house, including slums and informal settlements on a daily basis by integrating the informal door to door collection system with Municipal Committee, Seer Hamdan collection system.

(2) In order to collect garbage from every house, area-wise specific time slot shall be set and published at conspicuous parts of that area and on the website of Municipal Committee, Seer Hamdan Commonly, time for house to house garbage collection shall be set from 5.30 A. M. to 10.30 A. M. for summer and for winter 7:00 A. M. to 11:00 A. M. For collection of garbage from trading establishments, shops in commercial areas or any other institutional waste generators, commonly the time shall be from 7.30 A. M. to 11.00 A. M. However, sweeping can be undertaken twice daily, if required at public and commercial places. The timing for collection of garbage from the trading establishments, shops in commercial areas or any other institutional waste generators shall be decided by the Municipal Committee, Seer Hamdan accordingly.

(3) Arrangements shall be made for collection of residual solid waste from bulk waste generators, which are processing waste *in-situ*.

(4) Residual solid waste from vegetable, fruit, flower, meat, poultry and fish market shall be collected on day to day basis.

(5) Horticulture and garden waste shall be separately collected and disposed off. One or two days in a week shall be specified for this purpose.

(6) To make optimum use of bio-degradable waste from fruits and vegetable markets, meat and fish markets, bulk horticulture and garden waste and to minimize the cost of collection and transportation, such waste shall be processed or treated within the area where waste is generated.

No. 26-16] The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. 19
oo

(7) Manual handling of waste in the containers shall be prohibited. If unavoidable due to constraints, manual handling shall be carried out under proper protection with due care for safety of workers.

(8) Waste generators shall be responsible to deposit their segregated waste in the Auto-Tipper/Rickshaws etc. deployed by Municipal Committee, Seer Hamdan. Segregated waste from multistoried buildings, apartments, housing complexes may be collected from the entry gate or any other designated location.

(9) Changing needs and advances in technology shall be taken into consideration for selection of collection equipment and vehicles. Auto-Tippers or vehicles of specific capacity with hydraulically operated hopper covering mechanism from top having two compartments for carrying biodegradable and non-biodegradable waste separately with a hooter shall be deployed for collection of waste.

(10) Automatic voice recorded device, bell or horn having sound not more than the permissible noise level shall be installed on every garbage collection vehicle used by waste collectors.

(11) Route plans for each primary collection and transportation vehicle shall be provided by Municipal Committee, Seer Hamdan or by the notified authorised waste collector. These plans in tabular as well as GIS map form, duly approved by Municipal Committee, Seer Hamdan shall mention starting point, start time, waiting points, waiting time on route, end point and end time of the specified route. Municipal Committee, Seer Hamdan or the notified authorised waste collector shall provide a Board at each street to display time-table of primary collection and transportation vehicles to allow residents avail the facility at prescribed time. Such information shall also be uploaded on the website of Municipal Committee, Seer Hamdan and published in the local leading newspaper periodically for the information of General Public.

(12) In narrow streets that cannot be serviced by auto tipper or the vehicle, a 3-Wheeler or smaller motorized vehicle with hydraulically operated hopper covering mechanism from top having two compartments for carrying wet and dry waste separately with a hooter, compatible with mobile transfer station shall be deployed.

(13) In congested and narrower streets that cannot even be serviced by 3-Wheeler or smaller vehicle, cycle rickshaws or any other type of suitable equipment shall be deployed.

(14) Smaller, narrow and congested streets/lanes where even a 3-wheeler/rickshaw etc. cannot operate, vantage points shall be designated at the start of the locality/street where the collection vehicle shall be parked and the helper/driver of vehicle shall carry a whistle and walk in the locality to announce arrival of vehicle for collecting solid waste. Time table for such collection system shall be displayed at the notice board and uploaded on the website of Municipal Committee, Seer Hamdan.

(15) Auto tippers, 3-wheelers, rickshaws and any other type of collection vehicles engaged in this service shall collect waste only from households and not from any other source viz. dhalaos, open sites, ground, bins and drains etc.

(16) Municipal Committee, Seer Hamdan or its notified authorised waste collectors shall be responsible to cover all the streets/lanes of each zone for the primary collection.

Secondary Storage of Solid Waste

6. Storage of solid waste in the secondary storage points.

(1) Segregated solid waste collected from doorsteps shall be taken to waste storage depots, community storage bins or fixed or mobile transfer stations or the locations specified by Municipal Committee, Seer Hamdan for secondary storage of waste.

(2) Such secondary storage points shall have covered containers (of specified colour) for separate storage of :ô

- (a) non-biodegradable or dry waste ;
- (b) biodegradable or wet waste ;
- (c) domestic hazardous waste ;

- Municipal Committee, Seer Hamdan shall separately notify, from time to time, mandatory colour coding and other specifications of receptacles prescribed for storage and delivery of different types of solid waste to enable safe and easy collection without any mixing or spillage of waste, which generators of different types of solid waste shall have to adhere to.

(5) Containers of various sizes in the secondary storage depots shall be provided by Municipal Committee, Seer Hamdan or any assigned agencies in different colours as mentioned in these bye-laws.

(6) Storage facilities shall be created and established by taking into account quantities of waste generation in a given area and the density of population.

(7) Storage facilities shall be user friendly and shall be so designed that it ensures compaction of waste and that the waste stored is not exposed to open atmosphere.

(8) All the housing cooperative societies, associations, residential and commercial establishments and gated communities etc. shall have the responsibility to put coloured bins as prescribed by these bye-laws and to keep adequate number of containers in appropriate places in their own complexes, so that the daily waste generated there can be properly deposited.

CHAPTER V

Transportation of Solid Waste

24 The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. [No. 26-16
waste and removable drain silt shall be removed immediately after the
work is over.

(8) Transportation vehicles shall be so designed that multiple handling
of waste, prior to final disposal, is avoided.

(9) The collection vehicles engaged for the purpose shall deposit/
transfer waste only at the MTS (Mobile Transfer Station) or FCTS
(Fixed compactor Transfer Stations) wherever provided.

(10) In case MTS/FCTS is not stationed at the designated location
at that point of time for any reason, then the loaded vehicle shall go to
the next designated location of the MTS or FCTS or the site specified
by Municipal Committee, Seer Hamdan to unload the waste.

(11) Fixed compactor transfer station shall be transported through
hook loader.

(12) MTS or FCTS shall transport the waste directly to compost
plant, waste to energy plant or any other site/plant designated by Municipal
Committee, Seer Hamdan.

(13) There should be no inter-mixing of waste from various sources
during the transportation of waste.

(14) The services of street level collection and transportation of
waste shall be provided every day including holidays.

(15) MTS engaged in this service shall receive waste only from
designated auto tippers, 3-wheelers or vehicle/bins collecting waste from
street level operations.

(16) Dedicated MTS shall be deployed at specified locations to
receive waste from the Auto Tippers, 3-Wheelers, Rickshaws etc. engaged
in street-level and door-to-door collection of solid waste from households
and commercial establishments as per the approved route plans.

(17) Design of MTS and FCTS shall allow unloading of waste from
primary collection vehicles by consuming minimum time and without littering
waste.

CHAPTER VI

8. *Processing of solid waste.* (1) Municipal Committee, Seer Hamdan shall facilitate construction, operation and maintenance of solid waste processing facilities and associated infrastructure on their own or through any agency for optimum utilisation of various components of solid waste adopting suitable technology including the following technologies and adhering to the guidelines issued by the Ministry of Urban Development from time to time and standards prescribed by the Central Pollution Control Board :

- (2) Municipal Committee, Seer Hamdan shall endeavour to create a market for consumption of RDF (Refuse Derived Fuel). The cement factories are liable to take RDF from municipal dumping sites who have to use RDF to the order of 5% of the total fuel burnt by them in their kilns.

(3) In waste to energy plant by direct incineration, absolute segregation shall be mandatory and be part of the terms and conditions of the relevant contracts.

9. *Other guidelines for processing of solid waste.* (1) Municipal Committee, Seer Hamdan shall enforce processing of bio-degradable waste on site of generation of such waste through composting or bio-methanation, as far as possible, at RWAs (Resident Welfare Associations), group housing societies, markets, gated communities and institutions with more than 5000 sq. m. areas, all hotels and restaurants, banquet halls and places of such nature. Preference shall be given for on site processing of biodegradable waste generated by other waste generators as well.

(3) Municipal Committee, Seer Hamdan shall enforce that markets dealing with vegetables, fruits, flowers, meat, poultry and fish waste while processing bio-degradable waste ensure hygienic conditions.

(5) Municipal Committee, Seer Hamdan shall involve communities in waste management and promote home composting, bio gas generation, decentralized processing of waste at community level, subject to control of odour and maintenance of hygienic conditions around the facility.

(6) The waste generator has to pay user charges/sanitation fee to the local bodies inspite of the fact if they process their waste at their institutional level.

CHAPTER VII

Disposal of Solid Waste

10. *Disposal of Solid waste.*ô Municipal Committee, Seer Hamdan shall undertake on its own or through any other agency, the construction, operation and maintenance of sanitary landfill and associated infrastructure for disposal of residual waste and inert street sweepings and silt from surface drains in a manner prescribed under SWM Rules and any other obligation imposed by any other law for the time being in force.

CHAPTER VIII

User Fee and Levying of Spot Fine/Penalty

11. *User fee for collection, transportation, disposal of solid waste.*ô (1) User fee shall be fixed for providing services for garbage collection, transportation and disposal from waste generators by Municipal Committee, Seer Hamdan. The rates of user fee are specified in Schedule-I.

(2) The user fee so fixed shall be collected from waste generators by Municipal Committee, Seer Hamdan or the authorised agency or person as may be authorised by Commissioner/Director/Executive Officer in this behalf.

(3) Municipal Committee, Seer Hamdan shall prepare the database of all the waste generators for the purpose of levying user fee, and evolve appropriate mechanism for billing/collection/recovery of user charges, within three months from the date of notification of these bye-laws. The database shall be updated regularly.

(4) Municipal Committee, Seer Hamdan shall adopt different methods for collection of user fee including online payment.

(5) Special days in a month, preferably in first week of each month, shall be fixed for collection of user fee.

(6) There shall also be a system of yearly or half yearly payment. If the user fee is paid in advance for the entire year, then amount for ten months will be charged instead of twelve months. Similarly, for six months

28 The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. [No. 26-16
advance payment, five and half months demand amount will be charged
instead of six months.

(7) The user fee mentioned in Schedule-I shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(8) The user fee shall be collected only by the institution/person authorised by the competent authority by a general or special order in this behalf.

(9) In case of default of payment of user fee/fine, the competent authority may recover the same from the defaulter as an arrear of land revenue as per the provision of Land Revenue Act, 1996. However, Municipal Committee, Seer Hamdan shall be allowed to effect the recovery under the provisions of Jammu and Kashmir Municipal Act, 2000.

12. Fine/Penalty for contravention of SWM Rules.

(1) Whosoever contravenes or fails to comply with any of the provisions of SWM Rules or these bye-laws shall be imposed with fine as mentioned in Schedule-II appended to these bye-laws.

(2) In case of repeated contravention or non-compliance as mentioned in clause (a) above, fine amount for every such default shall be levied per day or month, as the case may be.

(3) The Executive Officer shall designate officers for levying fine or penalty by a general or special order in this behalf. The fine/penalty amount is specified in Schedule-II.

(4) The fine or penalty mentioned in Schedule-II shall stand automatically increased by 5% after every 3 years with effect from 1st January of the year.

(5) The fine shall be levied and collected on the spot by the designated officers. In case of non-payment of fine at the spot, the procedure for prosecution prescribed under provisions of the Environment (Protection) Act, 1986 shall follow.

(6) In realization of fines imposed on defaulters, the J&K State

No. 26-16] The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. 29
Pollution Control Board shall not renew the licenses of hotels and other business units unless an NOC is not procured by the business unit/s from the concerned Municipal Committee, Seer Hamdan.

(7) Fine shall be imposed on the hospitals and allied concerns if they are found mixing bio-medical wastes with municipal solid waste.

(8) Charges for the material recovery by rag pickers or waste dealers to be decided by the concerned Municipal Committee, Seer Hamdan.

(9) Concession to bulk purchasers of compost/plastic/tin and recyclables on the price of by product, if any, as a result of processing of Solid Waste shall be decided by the Municipal Committee, Seer Hamdan.

(10) The cement manufacturing units shall be responsible to lift the RDF from municipal dumping sites and their license renewals be linked with Municipal Committee, Seer Hamdan NOC.

(11) Tippers ferrying building material and causing avoidable waste on the streets shall be liable for fine to be decided by the Municipal Committee, Seer Hamdan but not less than Rupees Five Hundred (500/-) per default.

CHAPTER IX

Responsibilities of stakeholders

13. *Responsibilities of Waste Generators.* (1) Prohibition of littering

- (a) Littering in any public place : No person shall litter in any public place except in authorised public or private litter receptacles. No person shall repair vehicles, wash/clean utensils or any other object or keep any type of storage in any public place except in such public facilities or conveniences specifically provided for any of these purposes.
- (b) Littering on any property : No person shall litter on any open or vacant property except in authorised private or public receptacles.
- (c) Litter-throwing from vehicles : No person, whether a driver

No. 26-16] The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. 31
area as well as all appurtenant areas.

(5) Refundable Cleanliness Deposit, as may be notified by the Municipal Committee, Seer Hamdan, will be taken from the organiser, by the concerned zonal office for the duration of the event. This deposit will be refunded on the completion of the event after it is noted that the said public place has been restored back to a clean state, and any waste generated as a result of the event has been collected and transported to designated sites. This deposit will be only for the cleanliness of the public place and does not cover any damage to property. In case the organisers of the event wish to avail of the services of the Municipal Committee, Seer Hamdan for the cleaning, collection and transport of waste generated as a result of that event, they must apply to the concerned Executive Officer of the Municipal Committee, Seer Hamdan and pay the necessary charges as may be fixed by the Competent Authority for this purpose.

(6) Dumping of solid waste on vacant plot and depositing construction and demolition waste at non-designated locations shall be dealt with by the Municipal Committee, Seer Hamdan in the following manner :ô

- (a) The Municipal Committee, Seer Hamdan may serve a notice on the owner/occupier of any premises, requiring such owner/occupier to clear any waste on such premises in a manner and within a time specified in such notice.
- (b) If the person on whom the notice has been served fails to comply with the requirements imposed by the notice, such person shall be liable to pay penalties as prescribed from time to time.
- (c) If the person on whom the notice is served fails to comply with any requirements imposed by such notice, the Municipal Committee, Seer Hamdan mayô
 - (i) Enter on the premises and clear the waste ; and

(1) Municipal Committee, Seer Hamdan shall within its territorial area, be responsible for ensuring regular system of surface cleaning of all common streets/ roads, public places, temporary settlements, slum areas, markets, its own parks, gardens, drains etc. by employing human resources and machines and shall be bound to collect the garbage from the declared storage containers, and transport it every day to the final disposal point in closed vehicles for which Municipal Committee, Seer Hamdan may engage private parties on contract or Public Private Partnership mechanism with the prior approval of Govt., apart from its own cleaning staff and vehicles. In addition, Municipal Committee, Seer Hamdan shall identify all the commercial areas for carrying out sweeping twice a day.

(3) Municipal Committee, Seer Hamdan for the purpose of managing solid waste activities in decentralized and regular manner shall designate one officer in every ward to supervise the spots of containers, public toilets, community toilets or urinals in public places, transfer station for public garbage, landfill processing units etc.

(5) Each ward shall be divided into sweeping beats based on the prescribed parameter and deploy manpower accordingly or rationalize the existing deployment and monitor their work by using latest technology. Wherever it is unable to get sweeping through its own staff, it may outsource through contract. Each beat shall be inspected by the supervising officials on daily basis prescribed as per directions.

(6) Municipal Committee, Seer Hamdan shall employ latest road/ street cleaning machines, mechanical sweepers or other equipments which improves the efficiency of sweeping and drainage cleaning.

(7) Municipal Committee, Seer Hamdan shall create awareness and sensitization through Information, Education and Communication (IEC) campaign and educate the waste generators and other stakeholders about the various provisions of Solid Waste Management Rules and these bye-laws with special emphasis on user fee and fines/penalties.

(9) Municipal Committee, Seer Hamdan shall ensure that the authorities of Agriculture Department, Floriculture Department, Horticulture, SKAUST are supplied with sufficient quantity of compost generated out of organic waste to phase out the use of chemical fertilizers and use compost in all parks, gardens maintained by them and wherever possible in other places under its jurisdiction. Incentives may be provided to recycling initiatives by informal waste recycling sector and shall take up with the Directorate of Horticulture, Agriculture and Floriculture for use of compost.

(11) Municipal Committee, Seer Hamdan shall ensure that the operator of a facility provides personal protection equipment including uniform, fluorescent jacket, hand gloves, raincoats, appropriate foot wear and masks to all workers handling solid waste and the same are used by the workforce.

(12) Municipal Committee, Seer Hamdan shall ensure occupational safety of its own staff and staff of outsourced agency involved in collection

No. 26-16] The J&K Govt. Gazette, 26th Sept., 2019/4th Asv., 1941. 35
transport and handling of waste by providing appropriate and adequate personal protective equipments.

(13) In case of an accident at any solid waste processing or treatment or disposal facility or landfill site, the officer-in-charge of the facility shall report to Municipal Committee, Seer Hamdan immediately which shall review and issue instructions, if any, to the in-charge of the facility.

(14) Regular checks : The Executive Officer, Municipal Committee, Seer Hamdan shall conduct regular checks in various parts of the wards and other places of collection, transportation, processing and disposal of solid waste to supervise compliance of various provisions of SWM Rules and these bye-laws.

(15) Municipal Committee, Seer Hamdan shall develop a public grievance redressal system (PGRS) by setting up of call centre at its headquarter. The PGRS may include SMS based service mobile application or web based services.

(16) Municipal Committee, Seer Hamdan shall install bio-metric/ smart card technologies/ICT System for tracking and recording attendance of employees associated with the working of SWM Rules and these bye-laws at Hq./all zones/ward offices etc. and shall make an endeavour to integrate such system with the salary/wages/remuneration.

(17) Transparency and Public Accessibility : To ensure greater transparency and public accessibility, Municipal Committee, Seer Hamdan shall provide all necessary information through its website.

(18) Municipal Committee, Seer Hamdan shall perform all other duties mentioned in SWM Rules, which have not been specifically mentioned in these bye-laws.

CHAPTER X

Miscellaneous

15. If any doubt or difficulty arises in the interpretation or implementation of these bye-laws, the same shall be placed before the Chairperson, Municipal Committee, Seer Hamdan, whose decision in the matter shall be final.

16. *Co-ordination with Government Bodies.*ô Municipal Committee, Seer Hamdan shall co-ordinate with other government agencies and authorities, to ensure compliance of these bye-laws within areas under the jurisdiction or control of such bodies. In case of any difficulty matter shall be placed before Chief Secretary of Government of J&K.

(18) *Right to Appeal.* Any person aggrieved or affected by Seer Hamdan Municipal Committee Solid Waste Management Bye-Laws, 2019 shall have the right to appeal before concerned Director/Executive Officer of Urban Local Bodies, Kashmir/Municipal Committee, Seer Hamdan within 30 days and in case he is not satisfied with the disposal of Director/Executive Officer concerned, the second appellate authority shall be Administrative Secretary of Housing and Urban Development Department, whose decision shall be final and binding.
